

## **Pa Elton's Prophecy for Nigeria**

Sydney Granville Elton (or pa Elton as he was affectionately called) was a towering apostolic and prophetic vessel in the hand of God. He was ordained and commissioned to Nigeria by the Apostolic Church of Pennygroes (Britain).

He lived in Nigeria for 50 years from 1937 to 1987. During the latter stages of Elton's life, in 1986, he gave a prophecy concerning Nigeria, in which he said:

**"Nigeria and Nigerians will be known all over the world for corruption. Your name – Nigeria will stink for corruption but after a while, a new phase will come – a phase of righteousness. People from the nations of the earth will hold a Nigerian and say, 'We want to follow you to your nation to go and learn righteousness.'"**

**"Africa is like a gun pointed down. Its turret and muzzle is South Africa. Its trigger is Nigeria. The days would come when Apartheid (then at its peak in South Africa) will be removed from South Africa. In those days, he said the Gun of Africa would begin to fire for God's purpose."**

.....

Friends, the vision of the end-time revival is upon us.

Are you ready for this?

God is calling us to repentance and to give ourselves to prayer, and the ministry of the Word at a crucial time like this.

As we thank God for the ministry of Pa Elton and other heroes of faith all over the world, let us return to our first love today and allow God to work on our lives.
